

The following is an Examiner's Statement of Reasons for Allowance:

Examiner has reviewed the supplemental amendment and response filed December 23, 2010 and has re-reviewed the previous Final Rejection and Advisory Action of record. Examiner finds that the cancellation of additional claims has rendered the sole remaining basis for rejection moot, and therefore said rejection has been withdrawn. Therefore, there being no further recognized basis for either objection or rejection of the instant claims as amended, said claims have been found to be allowable as presently of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
